- **62% parents**
- **58% in recovery from substance abuse**
- **39% incarcerated within the past year**
- **24% veterans**

SOCIAL IMPACT

We meet each person wherever they are on life's journey and provide opportunities for sustainable change. The benefits of our programs don't end with the client. For every graduate, there is a greater social return. We can measure the impact of our programs by comparing the resources we invest against the contributions our graduates make back to society.

\$2.6M

Resources
Invested

\$3.7M

Return on Investment
to Society

**For every dollar contributed, society receives
100% of its investment back, plus a return.**
